Abhijeet Dattatray Thombre

UX/UI Designer & Web Developer

SUMMARY

I create user interfaces for websites and apps. I have expert knowledge of Html, CSS and JavaScript. I'm highly motivated, creative, and versatile. I'm especially skilled in creating and directing corporate and new business apps and web designs into the new millennium. I'm highly skilled at innovating user experience for the web and mobile applications. I have exceptional interpersonal skills with team members and subordinates. I am proficient at incorporating the desires of the client with a superior design solution.
